

## Adventurers - Weekly Challenges

<p><b>Literacy</b> Design your own land that could be found at the top of the Magic Faraway Tree. What is it like there? Who lives there? What happens to the children when they visit?</p>	<p><b>Mental Maths</b> Keep going with counting in 2s, 5s and 10s.  Try playing a throwing or catching game - counting in 2s, 5s or 10s with every catch.</p>	<p><b>Mathematics</b> Using 1p, 2p, 5p or 10p coins, try opening a shop.  You could set up a drinks stall outside if the weather stays hot!</p>	<p><b>Art</b> Take inspiration from the picture below to create artwork by painting and printing with leaves. No paint? You could draw around the leaves instead.</p> 	<p><b>Science</b> What can you find out about the life cycle of a plant?  Make a poster that shows the different stages in a cycle.  You could have a go at planting some seeds of your own.</p>
<p><b>Phonics</b> Visit <a href="http://www.phonicsplay.co.uk">http://www.phonicsplay.co.uk</a> and subscribe for free to play a range of decoding games.</p>	<p><b>Reading</b> Spend 15 minutes reading <b>EVERY</b> day.  There are books online at Rising Stars and/or read one of your favourite books.  You could also listen to The Magic Faraway Tree audiobook here: <a href="https://www.youtube.com/watch?v=S2M2CeZ0-XU">https://www.youtube.com/watch?v=S2M2CeZ0-XU</a></p>	<p><b>Computing</b> Visit 'Hours of Code' and explore the amazing activities they have to offer. Choose an activity you like the look of whether it's monsters, Minecraft or Moana and get coding. You learn as you go so there is no need for any coding experience. <a href="https://hourofcode.com/uk">https://hourofcode.com/uk</a></p>	<p><b>PHSCE</b> Show your support to key workers by thinking about those who are still going to work.  You could make a little book with pictures and writing to show the tasks we are thankful for.  If you know a key worker, why not give them a call and say thank you.</p>	<p><b>Geographer</b> Design postcards from each capital city of the UK countries. On the back, you could write a sentence or two imagining you were there. What did you see there?</p>

It's important to stay active and happy during this time too so remember to spend some time in the sunshine and enjoy playing games and being with each other.
