

Journey further... from the Bronze to Iron Age!

Here are some activities that will support your child's learning journey this half term. A minimum of one of these is to be completed this term and can be submitted at any time to receive 5 team points. Be creative in the way you present your work!

Design your own science experiment on anything you want! What do you predict will happen? What will you need to keep the same? What results did you get?

What can you conclude? **Please be safe and ask an adult to help you if needed!**

Who was Boudica and why did she fight the Romans when they invaded Britain at the end of the Iron Age?

Create an animal fact file en français! Here's an example of how you may want to set it out.

	
Le pays:	La France
Le continent:	l'Europe
La capitale:	Paris
Un animal qui vient du pays:	Un renard

Le pays:	_____
Le continent:	_____
La capitale:	_____
Un animal qui vient du pays:	_____

Can you use hatching or cross hatching to show tone (how light or dark something is) and texture (how something feels)?

Create art that represents the weather! Can you create a mood using colour? Be creative with what medium you use.

Create a dance routine to your favourite song!
