

Sports Premium Impact Statement 2016-7

2016-2017 saw the appointment of Jean Burroughs as Sports lead in our school. Her focus has been to continue to deliver high quality Physical Education across KS1 & 2 and to increase physical educational sustainability at Felton C of E Primary School. In line with our school vision, our aim was to ensure pupils to develop not only their physical literacy skills but lifelong learning skills, such as teamwork, communication, collaboration, emotional and social well-being.

The new curriculum map introduced during the last academic year has proven to give all pupils the opportunities to access many activities; ensuring inclusion and diversity. The new PE curriculum has enabled the pupils to not only develop their lifelong learning skills and begin to achieve physical literacy but is also enhancing the pupil cognitive skills. Pupil's teamwork, communication and resilience skills are developing through their PE lessons, particularly during small sided games and intra-house competitions.

Through the delivery of engaging and fun lessons pupils are developing their knowledge and understanding of the importance of an active healthy lifestyle while giving them the opportunity to perform in competitive situations through intra-school and house competitions. The PE extra-curricular programme enables all pupils to access regular club participation in many activities giving opportunities to develop sport specific skills.

Below are listed the strategies which have been implemented since September 2016 to achieve impact and sustainability:

- Continued delivery of high quality PE to enable every pupil to gain the confidence to achieve new skills and develop a variety of roles within PE
- Diverse PE curriculum to achieve sporting success and experience new activities
- Actions to increase engagement in PE for all pupils
- Planned development of pupil's physical literacy
- Actions to develop knowledge and understanding, encouraging pupils to lead active healthy lifestyle
- Continued development of positive sporting values through PE curriculum
- Embedded participation in competitive sport through intra-school competition and inter-school competitions throughout the academic year 2016-17
- Continued to increase sporting success in competitive sport
- Increased opportunities to participate in local sporting festivals and competitions across all year groups
- Increase inclusive opportunities for sporting clubs: after school sports clubs.
- Development of opportunities for participation in informal lunchtime activities lead by the Sports Crew.

- Increase opportunities for all pupils to participate in a broad range of sporting clubs
- Continue to Increase numbers participating in extra-curricular clubs.
- Increase opportunities for target group pupils to engage in C4L clubs/ Sports Leader lunchtime activities.
- Increased links with local clubs: Rugby, Cricket, Football via delivery of extra-curricular clubs.
- Delivery of community programmes during curriculum time through local club coaches, Alnwick RFU club
- Staff PE development time to assist in joint planning and delivery
- Continuous development of staff PE resources in increase staff knowledge & confidence in planning and delivery
- Continuing to Increase the profile of PE in school via website.
- Established Student Voice and Sports Crew (Sports Leaders/ Sports Captains) giving opportunity for pupils to participate, lead and organise.
- Continually developing School website and parent links.
- Development of community links- Active Northumberland and The Duchess High School
- Award of BRONZE Sainsbury's School Games.
