

# Nursery Home Learning Weekly Plan: 18.5.20

Hi,  
 Hope you are all well. I'm sure lots of you are enjoying a bit more time outdoors and maybe venturing out a bit more whilst staying safe. There are lots of fun activities for you to enjoy with your child this week.

Have a good week!

Maths	Literacy	Other Activity Ideas
<p><b>Time</b></p> <p>Make your own clock using a paper plate or by cutting a circle out of card/paper. Use a real clock to help you to write the numbers correctly and make your own clock hands.</p> <p>Use the clock you have made to tell the time to o'clock.</p> <div data-bbox="103 916 427 1241">  <p><b>Hula Hoop Clock</b></p> <p>Take the learning outdoors and teach the time using a hula hoop clock. I've used spoons for hands but you could use sticks. Start with o'clock, then half past. Have fun!</p> <p>PIC-COLLAGE</p> </div> <div data-bbox="439 879 707 1241">  <p><b>Hickory Dickory Dock</b></p> <p>number and color matching fine motor activity</p> </div> <p>Count forwards to 12 and back again, match the correct number of objects to numbers 1-12, you could use the daisies and dandelions!</p>	<p>Read some books about time, such as 'Jasper's Beanstalk' by Nick Butterworth, 'Oliver's Vegetables' by Vivian French and Alison Bartlett and 'The Bad-Tempered Ladybird' by Eric Carle - you can find video versions of these online.</p> <p>Talk about the days of the week and name the days. Talk about each day in the week as it arrives.</p> <p>Sing the Nursery Rhyme 'Hickory, Dickory, Dock' Encourage your child to spot the words that rhyme using careful listening.</p> <p>Change and create own rhyme each hour of the clock, e.g. Hickory, Dickory, Dock, the mouse ran up the clock, the clock struck <b>two</b>, <b>the mouse said 'BOO'</b>, Hickory, Dickory, Dock.</p> <p>Think of words that rhyme with clock - draw/create pictures of these objects, annotate words. You could go on a hunt to find these objects too!</p>	<p>Make a cake - use this as an opportunity to incorporate maths - measuring.</p> <p>Make up a song or rhyme to help you remember the days of the week and which order they come in. You could choose your favourite tune and sing the days of the week to it</p> <p>Play 'What's the Time Mr Wolf?' One person stands with their back to the others and everyone else asks, "What's the time Mr Wolf?" Mr Wolf says a time, e.g. "4 o'clock" and everyone steps forward 4 steps. Continue with different times, until Mr Wolf says "dinnertime!" and chases everyone back to the start. The person Mr Wolf catches, becomes Mr Wolf next.</p> <div data-bbox="1491 1098 2085 1321">  </div> <p>Collect dandelions and daisies, talk about them and describe them using adjectives, name the parts, create artistic representations, sort by size and type, count, create chains, make patterns, cut using scissors, add to water etc. Take photos for the website.</p>
