

It's great to have you all back in school. We have made a few changes to help keep us all safe

Important changes to our school rules

To keep us all safe, respectful and ready to learn

Try your best to stay apart from others

- You have probably heard of ‘social distancing’. Try your best to stay 2m away from other people in your class - even the teacher !
- Think of it as a protective force-field you have around you, like you are a super hero !

Stay inside your class 'bubble' all day

It is important that we do not mix with children or adults from the other classes at the moment

Especially at break and lunchtime

It is very hard, but when we go outside, please try to keep your distance even if you are playing a game.

Tell an adult if you feel unwell

If you have been sick or feel sick, or if you think you have a temperature, tell an adult quickly.

Do not bring things in from home
or take things home with you from school

This includes reading books, pens and pencils. The only things that can come into school and go home are your lunch boxes, water bottles and coats.

You can bring a snack in from home as well for morning break

Come to school and leave only using the gates you have been shown and follow the 1-way system

**This
way
in**

**This
way
out**

Catch it, kill it, bin it !

If you cough or sneeze try and do it into a tissue, and then put the tissue into the nearest bin

Wash your hands regularly

Wash your hands for with soap and water for 20 seconds and then dry them properly (remembering to put your used towel in the bin) or use hand sanitizer every time you enter the room, especially after you have been to the toilet or before you are about to eat. Your teacher will help you to remember to do this!

Follow the normal school rules well !

- Be: SAFE, RESPECTFUL AND READY TO LEARN
- All the usual school rules apply. You can still earn Team Points, so make sure the adult in room catches you doing the right thing !

Let's do this together !

If we can all follow these extra rules to keep us safe for the next few weeks, then hopefully we can all come back to school in September and things will be a bit more like normal.

Let's do this together !
